our STORY...

2026 GOALS

Have each and every child **SUCCEED** in school. To have each high school student **GRADUATE**, go on to college or trade school, and forge a successful future. And to **EMPOWER** each child with an indestructible sense of self worth.

Milagro Center was founded in 1997 by local Delray Beach visionaries motivated by the desire to provide arts experiences to economically challenged neighborhood children. Milagro, which means "Miracle" in Spanish, strives to build an indestructible sense of self-worth within our underserved children and teens and empower them to succeed in school and in life.

Today, as a fully licensed, COA-accredited, DCF Gold Seal childcare provider, Milagro Center fully embraces our underserved and academically at-risk students in our year-round afterschool and summer camp programs for children from kindergarten through their senior year in high school in our STARS (Elementary School), Junior Teen Leadership (Middle School), and Teen Leadership (High School) Programs at three separate Centers in Delray Beach.

Milagro Center's impact continues well beyond high school through the Rising Stars Scholarship fund, which provides much-needed support for former students attending colleges and universities, and the Milagro Center Alumni Association, designed to keep graduates engaged as career professionals and student mentors.

MISSION STATEMENT

Milagro Center's mission is to give underserved children the opportunity to succeed. We accomplish this through after-school and summer camp programs that offer a mix of academic support, art, music instruction, mentoring and living values lessons in a family-like, supportive environment. Our students build a strong sense of self-worth and academic skills that set them on a path to a productive future.

Our programs are a roaring success!

Milagro Center STARS students (kindergarten-5th grade) are reading on grade level.

5th graders move up to the Virginia and Harvey Kimmel Milagro Junior Teen Center, which serves 50 middle school students.

Transitioning middle school students enroll in our Teen Leadership Program that provides college preparation and career development. All of our high school seniors graduate and enter college, trade school, or the military.

100% OF OUR TEENS GRADUATE HIGH SCHOOL!

Milagro Center's Alumni Association bonds our graduates together and provides the resources needed to navigate college and careers.

All students attending Milagro Center are from families with income at or below the federal poverty level.
